Our vision at Mount Tabor is to see **communities changed by Christ**. Everything we do for God's kingdom is focused around our vision. To accomplish our vision, we focus on three primary areas of **mission** at MTCC: reach the lost, make disciples, and show grace. Our staff and eldership work together as a team to fulfill the mission of God here at MTCC.

- We value people who love to work with others.
- We value continuous learners and innovators who are not afraid to think differently about ministry.

Rooted Student Ministry (Rooted) at MTCC consists of students from 6th-12th grade, and is divided between Middle and High School.

Rooted is first and foremost a place where students find and follow Jesus. To accomplish that, we strive to be a place where students: are loved, treated as family, excited to bring their friends, and most importantly, dive deep into the word of God.

The Rooted team is directed by the Youth Pastor and implemented by the youth pastor and adult volunteers. We work together in a collaborative approach to ministry.
