**Details:**

We are a small church serving Billings, MT. Currently we have an attendance of 35 - 45 at our worship services. We currently only have a few children and pre-teens who attend. We have been praying that God sends a man who will preach the word of God with enthusiasm, love, grace and a heart for his people.

Our identity: We are ordinary people helping each other become faithful followers of Jesus.

Our vision: To know God, to be His people and to change lives.

Our mission: Matthew 28: 18-20

The Preaching and Teaching Minister; working in conjunction with our elders and leadership team will act as a catalyst in equipping people to fully experience the life change and transformation offered through a personal relationship with Jesus Christ by ministering the word of God through relevant preaching, engaging teaching, equipping discipleship and kingdom focused evangelism and outreach.

Overview:

40-hour workweek (schedule to be coordinated with the elders)

Sunday - Thursday (or as needed)

In office 2 days to accommodate drop-in visits (consultations)

Expectations:

We trust our minister to manage their own time effectively and work with a high degree of autonomy. We believe in empowering our leaders to fulfill their responsibilities without unnecessary oversight, allowing them the flexibility to balance ministry needs with personal time management. Our focus is to help others know God and how to be his people and how to change lives and we believe a minister should be similarly focused, whether it's helping others develop church bulletins or teaming up with the Elders to visit those in the hospital or nursing homes. We want a minister involved in people's lives.

Heart and passion for God's people with emphasis on church growth.

4-year degree from a Christian college and/or previous experience with counseling youth and interacting with their families is preferred, but other relevant experience and degree will be considered, Excellent understanding and knowledge of the Bible. Computer literate. Detail oriented.
