

Leader Information

Youth Leaders,

You are invited to **Summit Christian College's** annual **Fall Fling**, a weekend event for 9th-12th grade students to encounter God and be encouraged to continue seeking Him through Summit Christian College and Christian relationships. **SCC Students** will be leading worship through music and also be leading in various ways throughout the weekend, so be sure to get to know them and ask them about their #sccestory. I hope you will plan to participate!

Our theme this year is **The Long Haul**. We will be using 1 Corinthians 9:24-27 to stress the importance of keeping your faith strong for the long haul. **Mark Klingler**, our main speaker, will start with salvation and our decision to embark on this journey. We will then discuss how to train through spiritual disciplines, how to process suffering and setbacks, and the importance of community along the way.

Mark graduated from SCC with a bachelor's degree in 2007. Mark and Anna, his wife of 14 years, spent the next five years at two ministries in Missouri and Illinois. In 2016, Mark began working at WayPoint Church making disciples and training disciple makers. Mark has a heart for **leadership** and will be offering a **workshop** time specifically to encourage and edify YOU as you stay strong for The Long Haul alongside your high school students.

The majority of Fall Fling activities will be held at **Gering Central Church of Christ** (1245 Five Rocks Rd) in **Gering, NE**, November 12th-14th. **Check-in** opens at 5 pm Friday at Central. **Supper will be provided at 6 pm.** Some activities will also be held at the Summit Christian College campus just down the road. We will be saying goodbye about 10:30 on Sunday morning. A more detailed schedule will be available on our website soon.
