### Senior / Lead Pastor Advertisement

New Life Christian Church is a Christ-centered, Restoration Movement church located in Chickasha, Oklahoma—a growing community just 30 minutes southwest of Oklahoma City. Since our founding in 1983, God has faithfully built a congregation that values biblical teaching, authentic relationships, and meaningful engagement with our community.

Today, we are a unified and outward-focused church experiencing steady growth, with a strong foundation and a clear desire to take our next steps forward. Through contemporary worship, intentional discipleship, active Life Groups, and thriving children's and youth ministries, we are committed to helping people grow in faith and live out the mission of Jesus.

With expanded and recently updated facilities and a congregation eager to be led, New Life Christian Church is prayerfully seeking a Lead Pastor who is excited to build on what God has already done and to help shape what comes next—honoring God, serving others, and sharing the good news of His love.

### Our Church

New Life Christian Church is a welcoming, relational congregation that values both biblical truth and outward-focused ministry. We believe the church is called to serve beyond its walls, and we actively engage our community through:

- An annual Clothes for Compassion outreach
- Community Thanksgiving Dinner for 650+
- Ongoing efforts to care for families and individuals in need
- A heart to reach the lost and grow disciples

Our worship includes high quality contemporary music, with ministries designed to serve children, youth, adults, and seniors. We offer active Life Groups throughout the week and intentionally invest in training our youth to love and serve God.

In recent years, God has blessed us with significant facility improvements, including:

- A multipurpose gym/fellowship hall and kitchen (constructed in 2014)
- A recently remodeled kids area
- An adjoining house used for classrooms
- Additional facilities including a bus barn and storage building

We believe our church is healthy, unified, and positioned for continued growth—with room to refine systems, develop leaders, and expand our impact.
